Extra Care Flat Details

Homes for Life

These homes have 1 or 2 bedrooms. They can change to suit a person's needs and are dementia friendly. All rooms have extra wide doors for wheelchairs.

We can fit all these things if they are needed:

- Grab rails
- Shower seats
- Kitchens to suit people in wheelchairs
- Hoists
All homes have:

- Sprinklers
- Heat detectors
- Smoke detectors
- Flood detectors
- Secure video entry system
- Telecare as needed, such as personal alarms and fall detectors

You can put in wifi and broadband if you want to.
Each flat has 1 or 2 bedrooms and:

- A fully fitted kitchen with:
  - Washer / dryer
  - Fridge
  - Freezer
  - Electric hob and oven

- A wet-room with:
  - Shower
  - Toilet

- A living room / dining room

- Patio or balcony
The flats use green electricity, which saves energy. They have under floor heating.

There will be recycling facilities.

Dogs and Pets

Assistance Dogs and pets are welcome, as long as they cause no problems for neighbours, and Riverside gives permission.

Cooking and Eating

People can cook in their own homes. Or they can eat in the restaurant or café. The restaurant is for residents, their families and people from outside.

When the restaurant is closed, people can buy drinks and snacks from the café area.
